## About our Foundation ...

The UWCM Foundation is a registered charity that performs the charitable activities of the members of the UWCM. All of the money we raise is donated to bursaries for mature students, shelters, libraries and special endowments as all the work is done by club member volunteers, so nothing is deducted for overhead to run the Foundation. You will receive a tax receipt for every cent donated to the Foundation, just as with any other registered charity, so the UWCM Foundation is our form of combined charities.

The UWCM Foundation was established in 1985, and monies for the Foundation come from donations and bequests as well as from our main fundraising event, the November auction. Last year, we were able to give out bursaries of \$1,000 - \$1,500 each to mature women students as well as a special education fund of \$1,000 to Project Chance. We also donated to each of the following nine charities, in keeping with our mission to help women and children less fortunate and to foster education:

Auberge Madeleine  
Montreal Children's Library  
Chez Doris  
Old Brewery Mission  
Atwater Library

Auberge Transition  
Auberge Shalom... pour femmes  
Native Women's Shelter  
Tyndale St. Georges Library
