Public Foundation Annual Report 2008-2009

The University Women's Club of Montreal Public Foundation was organized in 1985 to focus and enhance the benevolent works of the University Women's Club of Montreal. The foundation is a separate legal entity with its own board of trustees. The board of trustees is appointed by the board of directors of the Club. The Foundation's year is July 1 to June 30. As a registered charitable public foundation, we are required to distribute over half of the monies raised in a given year to registered charities. The remainder is currently distributed as bursaries to mature women university students with demonstrated financial need.

The principal fundraising event is the 3-in-1 auction which takes place in November every year. The proceeds and donations year amounted to approximately \$ 7,500. The following is a breakdown of receipts for the current and previous years:
