November 21, 2007 Foundation Auction Report

You did it again. On behalf of the trustees of the Foundation, I thank all of you who contributed to our Auction by way of your generous donations, your efforts in arranging donations and in helping with the organization of the auction. As a result of your help, we raised over \$18,000 as follows:

	<u>2007</u>	<u>2006</u>
Live and silent	5,625	6,203
Chinese	1,950	2,355
Donation at door and others*	10,455	3,935
	\$ 18,030 * 	\$ 12,493

*includes \$5,000 donated by the University Women's Club of Montreal Inc.

The proceeds of the Auction, along with other contributions received by the Foundation, will be disbursed by the end of June 2008 in a manner in keeping with our mission to help financially disadvantaged women and children and to foster education. A number of bursaries will be awarded to mature women university students with financial need and to a number of registered charities, mainly women's shelters and libraries.

We are now looking forward to Foundation Auction November 2008. We have decided to accept donations throughout the year so as to ease the last minute rush. Give me or any of the other trustees a call if you have something you would like us to "take off your hands." If you are going to the Coach House, you could drop items off there or at the registration desk preceding any of our regular monthly meetings at the Atwater Club. Each item must be identified "Foundation Auction 2008" with your name, description and estimate of value.

We look forward to your participation next November 2008!

Sincerely,
Suzanne Crawford
Foundation Chair
